Vorderladerwaffen für
den gehobenen Anspruch

Die Unterhammerpistole „Graves“ basiert auf dem Original von Joseph Graves (1800 – 1876) in Bangor im US-Bundesstaat Maine.

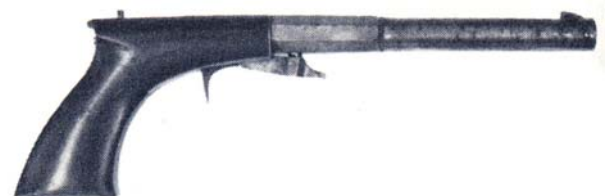

Abbildung im "Flyderman's Guide" 6th Edition:

J. Graves Underhammer Pistol

Joseph Graves, Bangor, Maine.

.31 caliber. Various barrel lengths 5" to 8" part octagon/round. Believed to have worked for noted, early Bangor maker William Neal. Note the close similarity in style to pistols of that maker.

Barrel markings (very scarce) JOS. GRAVES/BANGOR/ME.:

7E-015.5 Values—Good \$350

Fine \$650

Abbildungen aus „The Pictorial History of the Underhammergun“ von H.C. Logan:

J. GRAVES. FIG. 113

.36 caliber

14 $\frac{3}{8}$ inch barrel, round and octagon. Marked:

J. GRAVES
BANGOR, ME.

Saw handle grip. Blade front sight and adjustable rear peep sight.
Total length, 20 inches.
